

7. Streetlights – Ollis has asked Jim Becker to find a company that is going to be around a long time with a good reputation. LED lights. He would like for the board to pick out a streetlight to replace the one at the Nina Simone Plaza that was run over.
8. New Trash Cans for downtown – dual trash and recycle – people are placing household trash in the cans. The dual cans run \$2,000 and the singles are \$1,000. Need fourteen for downtown. The cans have smaller lids and are locked. Placing current cans in other areas in town.

Mayor Peoples entertained a motion to adjourn. Commissioner Ingham so moved. The motion carried unanimously.

J. Alan Peoples
