

May asked if they needed to consider a food truck for this? If the restaurants are open, this would be a moot point. Henderson is letting the businesses know.

Steve Martinez and his wife are here to ask for a one-year lease for \$50 each month to rent office space upstairs to use for storage of basketballs and jersey's. He is a non-profit, grass roots effort making safe places for our youth. Such as families that can't fund sports or transportation. They have served 130 kids "Hoopz".

Town Manager Ollis explained that Big Brother Big Sister have moved out and also the financial advisor. Public Works has been moved back to the maintenance building. He plans to convert that space into fire offices for the Fire Chief. We are using one of the offices for Trevor's Foundation. The other office needs to have the floor redone. Henderson asked if they were a 501c-3. Mr. Martinez stated yes, paperwork is filed with the state of N.C. Mayor asked if they wanted to think about it more. All agreed. Ollis will take you upstairs after the meeting and show you the area.

ADJOURN

Mayor Peoples entertained a motion to adjourn. Commissioner Ingham so moved. The motion carried unanimously.

J. Alan Peoples, Mayor

Attest:

Susan B. Bell, Town Clerk
